Code of contract by open procedure: **13-2011**  
Date: **11 April 2011**

### Invitation to submit a tender

#### for the contract by open procedure for the purchase of The LC-MS system for identification and quantification of small molecules

Based on the Public Procurement Act, ZJN-2 (Official gazette of the Republic of Slovenia, no. 128/06, Official Journal of the European Union, no. 317/07, Official gazette of the Republic of Slovenia, no. 16/08, 34/08, Official Journal of the European Union, no. 314/09, Official gazette of the Republic of Slovenia, no. 19/10 ), in accordance with the 25th Article of ZJN-2 and a Decision to initiate the contract by open procedure of 3 January 2011, we invite you to submit a tender for the contract by the open procedure for the purchase of The LC-MS system for identification and quantification of small molecules.

The estimated value of the contract by the open procedure is 208.000,00 EUR without value added tax.

The tender documentation is available on the internet: <http://www.cipkebiP.org/> .

The contracting authority may, in accordance with the 80th Article ZJN-2, suspend the public procurement process at any time.

#### 1. Object of the contract

The object of the contract by the open procedure is a purchase of **The LC-MS system** for identification and quantification of small molecules.

#### 2. Complete tender

A complete tender should include:

- a) A completed and signed bidder information **Form A**
- b) A completed and signed pro-forma invoice **Form B**
- c) A completed and signed declaration of eligibility **Form C**
- d) Statement of compliance with the technical requirements **Form D**
- e) Statement of the servicing response time **Form E**
- f) Collaborations of the bidder within the past five years with different subscribers **Appendix No. 1**
- g) Completed and signed draft sales agreement **Appendix No. 2**

Tender documents should be put together in the above order and tied together on the way that individual sheets or attachments cannot be added, taken away or replicated at a later stage. The

submitted forms should be signed and stamped. **Please attach also a photocopy of the entire tender (sheets should not be tied together).**

The bidder must meet the following conditions (as evidenced by the statement - Form C):

1. The bidder has valid registration to do business.
2. The bidder has a valid permit from the competent authority for the business, which is the subject of the contract, if the permission of such activities is requested and provided on the basis of special law.
3. The bidder and each of legal representatives, if a legal person is in question, have been not convicted of crimes specified in the first and second paragraph of 42nd Article of the ZJN-2.
4. The bidder has to ensure that is not in the list of business entities which, under the Prevention of Corruption Act, could not business with entities from 1, 2 and 3 paragraph of 28 articles on the Prevention of Corruption Act - ZPKor (Official Gazette RS, no. 8/04).
5. The bidder has to ensure that is not in compulsory settlement, bankruptcy or liquidation, and against the bidder has not been introduced the procedure of the compulsory settlement, bankruptcy or liquidation.
6. The bidder has to ensure that all outstanding obligations to the subcontractors in the previous public procurement procedures (Article 44 ZJN-2) have been paid.
7. The bidder has to ensure that is in accordance with the requirements of the contracting authority capable of performing the contract object technically, personally, timely and financially.
8. The bidder has to ensure that is not in the list of bidders with negative references prepared by the Ministry of Finance.
9. The bidder has to ensure that didn't get any additional penalty regarding the participation in public procurements on the basis of Article 15.a of the liability of legal persons for criminal acts (Official Gazette RS, no. 98/04 - ZOPOKD - UPB1 and 65/08).

Other conditions:

- a) The price from the pro-forma invoice should be valid for the duration of the contractual relationship.
- b) All prices should be expressed in Euros. The final price should include all its constituent elements. Any discounts and the VAT should be shown separately.
- c) The pro-forma invoice should valid at least 3 months.
- d) The time of performance delivery shouldn't be more than 6 weeks from the date of signing the contract.
- e) The warranty should be 24 months from the delivery.

### 3. Technical requirements

LC-MS system will be used for identification, structural confirmation and quantitative determination of small compounds. The system will be composed of a HPLC system, equipped with a pump, autosampler and UV/VIS detector. Mass detector has to be equipped with triple stage quadrupole and with two different H-ESI-II and APCI ionization probes.

#### l) Liquid chromatograph – HPLC system

##### a. Pump

- Quaternary gradient pump
- Operating pressure: at least 0 do 1250 bar.
- Simultaneous quaternary solvent delivery
- Built-in four channel vacuum solvent degasser
- Dead volume of solvent degasser must be: <500 µL
- Flow rate: at least 1µL/min – 2000 µL /min

- Flow accuracy:  $\pm 0.5\%$
- Gradient accuracy:  $\pm 0,5\%$
- Delay volume: 70  $\mu\text{L}$
- Residual pulsation:  $< 0,5$  bar (without pulse dampener)

**b. Autosampler**

- Vial capacity: at least 200 standard 1.8 mL vials or Eppendorf vials
- Possibility of injection directly from microtiter plates
- Automatic vial bottom sensing
- Adjustable needle height in vial adjustable in 0.1 mm steps
- Sample preparation or sample dilution possibility in sample compartment
- Injection volume: from 0.1  $\mu\text{L}$  to 1000  $\mu\text{L}$
- No waste injection possibility from sample volumes as low as 5  $\mu\text{L}$
- Inner and outer sample needle wash with 5 solvents
- Injection precision:  $< 1,0\%$  at 5  $\mu\text{L}$
- Thermostated column oven with working range from 4 to 95  $^{\circ}\text{C}$
- Thermostated sample tray with working range from 0 to 60  $^{\circ}\text{C}$
- Column oven capacity for at least three 30 cm columns

**c. HPLC Detector**

- Photodiode array detector with at least 512 diodes
- Wavelength range from 190 to 800 nm
- Scan rate: at least 80 Hz
- 50 mm flow cell path length
- Flow cell volume: 10  $\mu\text{L}$
- Automatic wavelength calibration
- Wavelength accuracy:  $\pm 1$  nm
- Noise:  $< 0,3$   $\mu\text{AU}/\text{cm}$  (254 nm)
- Baseline drift:  $< 1$  mAU/h (254 nm)

**II) Mass spectrometer - MS**

- Triple quadrupole mass spectrometer
- Analyzer geometry must prevent direct flight path from Q1 and Q3 analyzer quadrupoles
- Mass range: 10 – 3000 m/z
- Sensitivity with ESI and APCI ionization: S/N 200:1 RMS for 1 pg reserpine (on column) or better (SRM, transition m/z 609 to m/z 195)
- Analyzer quadrupoles must allow scanning at 0.4 Da resolution (FWHM) or better within the whole mass range and satisfy sensitivity specification in all resolution modes
- Collision cell must allow zero cross-talk operation at maximum instrument scan speed
- Scan speed 5000 amu/s
- Positive/negative switching  $\leq 25$  ms
- Mass stability  $\pm 0.1$  Da / 24 h (environment temperature  $\pm 5$   $^{\circ}\text{C}$ )
- ESI ion source thermostated up to 500  $^{\circ}\text{C}$
- APCI ion source thermostated up to 500  $^{\circ}\text{C}$
- Built in syringe pump with software control for direct sample infusion at flows from 1 to 50  $\mu\text{L}/\text{min}$
- Built-in 6 port valve with software control
- Mass spectrometer must be capable to perform up to 3000 timed SRM experiments in one scan event
- Mass spectrometer must allow MS-MS experiments with fragmentation energy gradients
- Mass spectrometer must be upgradeable with atmospheric ion mobility option for matrix reduction in complex biological samples

**III) Nitrogen generator**

- Nitrogen generator with built-in compressor must be included in the offer

- Nitrogen generator must supply gas of sufficient purity and flow rate for normal operation of the offered mass spectrometer

#### **IV) Workstation and software**

##### **a. Workstation**

- Workstation (at least computer with operating system, 22"-monitor and laser printer) must comply with software requirements, have performance capabilities and enough storage space to allow continuous work with the LC-MS system

##### **b. Software**

- Unique software package must allow direct control, diagnostics and automatization of the LC-MS system
- Through software package user must be able to do automatic qualitative and quantitative data evaluation with report generation
- All software must be GLP, GMP in 21 CFR Part11 compliant

#### **V) Installation and training**

- Installation of the LC-MS system must be included in the offer
- At least four days of user training must be included in the offer
- Delivery of LC-MS system to Ljubljana must be included in the offer

#### **VI) Service**

- Bidder must have certified service engineer in Slovenia

## **4. Award criteria and conclusion of contract**

The contracting authority will eliminate tenders which do not fulfil all the conditions of the contracting authority listed in the second (Complete range) and third (Technical requirements) points and will not be evaluated. The contracting authority has the right to exclude the offer from further consideration, if the offer is not made up as determined by the tender conditions.

The tender price must be expressed in Euros and **not exceed 249.600,00 Euros, including VAT**. All individual items of the price must be denominated in Euros. The final price should include all elements of its constituent, including transport costs, with a functional layout of the equipment and training for users. Discounts and VAT must be shown separately.

The contracting authority does not allow the submission of variants.

The criterion for the selecting of the most appropriate bidder is price. Subject to compliance with all technical requirements of the contracting authority will select a bidder who will offer the lowest bid price, including VAT and the price without VAT.

In the case that more bidders offer the same best price, the contracting authority will choose a bidder that will provide the shortest delivery time.

After adopting the report on awarding the public contract, the contracting authority shall send, in line with the provisions of Article 79 of the ZJN-2 to all bidders, its decision on awarding the public contract.

The refused bidder can submit, to the contracting authority, a request for an additional explanation regarding the decision on awarding a public contract. This request has to clearly state which issues should be additionally explained by the contracting authority, and it should be submitted within three working days of the receipt of the notification regarding the contracting authority's decision. If the bidder's request is not submitted duly, if it is incomplete and if it does not comply with the conditions for the submission of the additional explanation, the contracting authority shall dismiss the request.

The contracting authority has to send the requested additional explanation regarding its decision, or a notification of the dismissal of the request, to the concerned bidder within three working days. The day of receipt of the additional explanation regarding the awarding of the public contract, or the day of the receipt of the decision on awarding the public contract if the request is dismissed are also the beginnings of the period in which a request for an audit can be submitted in line with the provisions of the Auditing of Public Procurement Procedures Act.

When sending out the notification on its decision, the contracting authority shall also invite the selected bidder to sign the contract in line with the specifications of the bid. If the selected bidder does not respond to this invitation (within 10 days of the receipt of the notification regarding the awarding of the public contract), it shall be considered that the bidder withdrew from the bidding procedure. In this case the contracting authority shall redeem the Tender Bond irrespective of the bidder's reasons for withdrawal.

The contract will be concluded with selected bidder.

The deadline for payment is 60 days from receipt of correct invoice.

## 5. Delivery requirements and time limit for submission of tender

The tender with all the required forms and attachments must be submitted in a sealed envelope in person (Ms Katarina Drobnič Sterle) or by mail to the following address:

CO CIPKeBiP  
Centre of excellence for integrated approaches in chemistry and biology of proteins  
Jamova cesta 39  
SI-1000 Ljubljana  
Slovenia

In the lower left corner of the envelope must be a visible sign **DO NOT OPEN – TENDER for contract by open procedure – Contract code: 13-2011**.

The reverse side must bear the full address of the sender, its telephone number and email address.

The tender is considered timely if it will be received by the contracting authority no later than **27.5. 2011 until 10.00 hours** or sent by post as registered mail with acknowledgement of receipt and received by the contracting authority by the above date.

Late and incorrectly marked tenders shall be excluded from the further procedure and returned to the senders without having been opened.

Applications could be written in Slovenian or English language, the financial part of it must be shown in Euros.

## 6. Queries relating to the tender documentation

Queries relating to the tender documentation can only be placed through the Public-Procurement Portal of the Official Gazette of the Republic of Slovenia: <http://www.enarocanje.si/>.

The bidders could send in writing to the above address the requests for additional queries until **24.5. 2011 until 10.00 hours**. The contracting authority shall answer which will be published at Public-Procurement Portal of the Official Gazette of the Republic of Slovenia.

The contracting authority shall not answer queries over the telephone.

## **7. Supplementations and changes of contract by open procedure**

The contracting authority self reserves the right to amend or to supplement tender documents. In case, that the contracting authority within a time period will modify or supplement the tender documentation, all changes will be published on his web page (<http://www.cipkebiP.org/> ) and on Public-Procurement Portal.

After the deadline for receipt of tenders the contracting authority will not alter or supplement contract documentation.

## **8. The public opening of tenders**

The public opening of tenders will be at **15.00 hours on 27.5. 2011** at the following address:

CO CIPKeBiP  
Center of Excellence for integrated approaches in chemistry and biology of proteins  
Jamova cesta 39, Classroom B220  
Ljubljana 1000  
Slovenia

The representatives of the bidders wishing to be present at the opening, should present a letter authorising them to attend the event to the selection board prior to the opening of the tenders.

## **9. Contract award notice**

Bidders could expect Notice of award within 10 days after the deadline of submission of tenders.

## **10. Additional information**

Operation, program of development of centre of excellence, with title "Centre of excellence for integrated approaches in chemistry and biology of proteins" (No. operation OP13.1.1.2.02.0005), partly finances European Union, namely from European regional development fund. Operation is carried out under the Operational programme for strengthening regional development potentials for period 2007-2013, developmental priority: Competitiveness of enterprises and research excellence; priority orientation: Improvement of competitive abilities of enterprises and research excellence. Operation partly finances European Union, namely from European regional development fund, in height of 85 %. Share of Slovenian co-financing is 15 %.

### **Legal Notice:**

Each bidder involved in the tendering procedure can request an audit of the procedure in line with the Auditing of Public Procurement Procedures Act (the Official Gazette of the Republic of Slovenia, No. 94/07). A request for auditing can be submitted during all phases of the awarding procedure, unless stipulated differently by the Public Procurement Act (ZJN-2) or the Auditing of Public Procurement Procedures Act. The deadline for submitting a request for an audit is ten days after the receipt of the notification regarding the contracting authority's decision.

In the request the bidder should indicate the contact person, the contracting authority, the title and the code of the contract by open procedure and the following documents should be included: the award

decision note, well justified violations, evidences of violations and the certificate of paid tax of 2.500 EUR. A tax of 2500 EUR should be paid on the bank account at the Ministry of Finance, no. 0110-1000358802 - implementation of the national budget of Republic of Slovenia, in line by 22. Article of Law on the revision of public procurement procedures, reference 11 161100-7111290-00000010. In the case when the call for tender was announced also in the Official Journal of the European Communities, the tax is doubled.

The bidder has to submit two copies of the request for auditing to the contracting authority. Within three days after the receipt of the request for auditing, the contracting authority shall send one copy to the selected bidder. The bidder also sends a copy of the request for auditing to the Ministry of Finance. A request for auditing is sent off as registered mail with an acknowledgement of receipt, or as electronic mail provided it is verified with a qualified certificate.

Yours sincerely,

Livija Tušar, Ph.D.  
Director

Instructions for filling the table:

The name, model/type and manufacturer of the offered product should be written under the serial numbers of I. to III.

The actual information or a de facto state or the required regulations, standards, etc. or briefly explain the particular/individual requirement for each point of technical requirements should be written in column III. For requests which could be expressed numerically, the numerical value, or unit, quantity, and etc. must be entered. For other information is required to accurately describe the feature or enter a "Yes" if the requirement is met. In the case that the bidder shall enter "No" means that the bidder not fulfil the contracting authority demand.

In column IV the position of additional data about the offered product have to be specified i.e. a technical book in an annex, chapter, page of the attached documentation. To facilitate the review is also necessary to visible mark (underline, circle, tick pid) mentioned additional data in enclosed documentation about the offered product.

In a column V the bidder may enter additional comments / information in connection with the information requested in columns III and IV.
